SUMMER RESEARCH PROGRAM
Department of Chemistry, Barnard College

STUDENT APPLICATION – Summer 2018
Deadline: Friday, February 9, 2018

NOTE: This application for students wishing to do research in the Barnard College Department of Chemistry. There is a separate Department of Chemistry application for students interested in participating in the Summer Research Institute while doing chemical research in New York City but outside Barnard College.

</tbody>
</table>

Attachments

Please attach an unofficial college transcript, copies of grade reports, or some other documentation of your current academic standing.

Faculty Research Projects and Preferences

In order to be considered for a summer research position, we strongly encourage each applicant to speak with at least three faculty members about his/her research.

Please list (in order of preference) the names of the faculty members with whom you would like to do research.
