
DEPARTMENT OF CHEMISTRY SUMMER RESEARCH INSTITUTE
EXTERNAL RESEARCH APPLICATION

Barnard College

STUDENT APPLICATION – Summer 2022

Deadline: Friday, February 18, 2022

Email completed applications to Ms. Joanna Chisolm, jchisolm@barnard.edu

You MUST already have a research mentor outside Barnard College to submit this application. Any lab at Columbia University is considered outside Barnard College.

General Information

Name	_____	College	_____
Grad Year	_____	Major	_____
Mailing Address	_____	Phone	_____
Email Address	_____		

Attachments

Please attach (1) a one-paragraph description of the research you would be doing and (2) an unofficial college transcript, copies of grade reports, or some other documentation of your current academic standing.

External Research Opportunity

Institution _____

Principal Investigator _____ Does the position include housing? _____

It is expected that you will be compensated for performing quality research, and the Summer Research Institute requires at least a \$550/week stipend for at least 6 and up to 10 weeks of research. Thus, you are expected to seek out funding sources. Does the position provide you with a summer stipend of at least \$550/week for at least 6 weeks? _____

If not, how much can your mentor contribute to your stipend? _____ (Note that even partial support from your mentor will increase the probability that the Department of Chemistry can find funds to pay you the difference between this amount and the \$550/week standard.)

If your research mentor is not paying you a stipend of at least \$550/week, have you or are you planning to apply for funding from other sources of funding? In past years, for example, there have been funding opportunities from ConEd, Amgen, SURF, Noyce, and Student Employment Services. If Yes, please list:
